Subject:- Abrogation of the reciprocal arrangements entered into with certain Indian States in respect of the maintenance of mental patients.

I am directed by the Governor in Council to refer to the Resolution of the Government of Bombay in the Political Department No.5734, dated the 27th July 1921, 4th August 1921, regarding the reciprocal arrangement between the Mysore State and the Government of Bombay in connection with the maintenance, free of charge, of lunatics from the Mysore State in the Lunatic Asylums in the Bombay Presidency and vice versa, and to state that a recent enquiry undertaken at the instance of the Bombay Reorganisation Committee, 1932, has shown that the Government of Bombay have been losing by the reciprocal arrangement. They have accordingly decided to terminate the reciprocal arrangement with effect from the 1st September 1934 and have issued instructions that the cost of maintaining mental patients belonging to the Mysore State in the Government mental hospitals in this Presidency should be recovered from the State with effect from that date. I am to request that the Mysore Government may kindly be informed accordingly.

To

The General Secretary to the Government of

His Highness the Maharaja of Mysore, Bangalore.

Sir,

In acknowledging receipt of your letter No. G. 3067/ Med 101-34-2 dated the 4th instant, re: the maintenance of Mental patients belonging to the Mysore State in the Bombay Hospitals etc, I have the honour to invite kind reference to the G.O. No. G. 12990-1/Med 54-28-21 dated the 3rd May 1930, sanctioning a revised reciprocal arrangement accepted by the Bombay Government, in which the original arrangement laid down in the order of 1921 has been changed, I wish to point out that according to this revised arrangement neither Government incurs any loss whatsoever, as the cost of maintenance of such mental patients is borne by the Government to which the patient belongs.

Under these circumstances, it is not clear to me how the Bombay Government " have been losing by the reciprocal arrangement". Evidently the Government of Bombay have lost sight of the arrangement subsequently arrived at, and which was communicated to the Mysore Government with the letter No. 3403 dated the 24th April 1930 from the Secretary to the Honourable the Resident in Mysore.

To your enquiry, whether the cost of maintaining Bombay patients treated in Mysore Hospitals is recoverable from the Bombay Government, my reply is in the affirmitive.

I have the honour to be
Sir,
Your most obedient servant

S. Subba Rao
